### IVF-treatment

Prices include all consultations, talks, all scans, egg retrievals and embryo transfer as well as freezing of surplus suitable eggs. Prices also include the statutory tests for HIV and hepatitis. Treatment is considered completed if at least one embryo is suitable for transfer on day 2. The only extra cost is for medicine which is paid to the pharmacy.

IVF treatment (normal IVF)	3.250 EUR
Surcharge for the use of anonymous donor sperm from our storage	750 EUR
Surcharge for micro-insemination (ICSI)	450 EUR
Surcharge for testis biopsy (TESA) and micro-insemination	900 EUR
Surcharge for DuoStim (2 egg retrievals in one cycle)	820 EUR
Treatment is cancelled prior to egg retrieval	700 EUR
Eggs are retrieved, but no embryos are transferable on day 2	1.300 EUR

### Three IVF treatment contract

Prices include all consultations, talks, scans, egg retrievals and embryo transfers as well as freezing of surplus suitable eggs. Thawing and transfer of these eggs are also included. Furthermore, the prices include the statutory tests for HIV and hepatitis. A treatment is considered successful if an embryo is transferable on day 2. A contract on three IVF treatments includes up to 5 initiated treatments. The only extra cost is for medicine which is paid to the pharmacy.
